1 How does a home get on the tour?

Tour candidates are reached out to by a member of the Super Tour work group. It works the other way too: any REALTOR® who wants a home on tour contacts the work group by email, call, or text, or submits the form at TCMCBayArea.com/super.

2 When do sign-ups close?

2 PM Wednesday, the day before the tour. Last-minute additions are taken if there is room on the tour.

3 How many homes run on a tour?

The tour rolls with as few as one home and caps at five, so the caravan stays a morning, not a marathon.

4 What does it cost?

\$50 per home, collected at the Thursday meeting when you present your listing.

5 Tour day

Present your listing at the Thursday meeting (9:00 to 10:00 AM, doors 8:45 AM, Realty Experts, 41051 Mission Blvd, Fremont), then the caravan rolls from 10 AM to 1 PM.
